## We wish you a Merry Christmas!

And to help you have one we're here, as always, to supply the very best of food, drink and treats.

We hate to mention it, but with Covid still present there remains a risk of increased restrictions in the lead up to the festivities. To help us, and to help you relax, we do urge you to shop early, take advantage of our ordering service, and make use of our website. But if you do choose to come in to the shop we assure you of a warm welcome.

As usual we will be able to supply all the Christmas basics except fresh meats, and we have chosen a fantastic range of food gifts and treats for the whole family. To help with your selection we have included our traditional "shopping list" with this flier. You can also view most of our Christmas products online, and compose an order for collection or delivery.

We encourage ordering by the **beginning of December** but the absolute cut off will be **17<sup>th</sup> December**. We will also deliver (for free within the YO51 postal area) but, again, early ordering is essential as delivery slots are limited. We will be delivering up to 23<sup>rd</sup> December.

**As an incentive to order early(!) we will apply a discount of 10% on fruit/veg items on all orders placed by 11<sup>th</sup> December.**
